Dear Mr Cooke

I have considered the suggested Main Modifications and consider that they are necessary for the soundness of the Local Plan. I am satisfied that it is appropriate to commence consultation on the Main Modifications.

As such I should be grateful if arrangements could be made for consultation to take place on the Main Modifications for a minimum period of 6 weeks, with the consultation taking place in accordance with the Council's Statement of Community Involvement. Please advise me when the dates for this have been established. It would help if you would ask consultees to confine any further comments solely to the modifications as this does not represent an opportunity to raise other matters. Any responses to the Main Modifications will be for me to consider.

The Council should include appropriate consultation on the updated Sustainability Appraisal. While I am not examining the Sustainability Appraisal it would help if I see any comments made on that.

Yours sincerely

Phillip J G Ware
